Summary: A drabble about Jake and Bethany. Slight AU.

Es tevi mÄ«lu

Jake tightened his grip on Bethany's hand. She was shivering and her lips were chapped from the cold. They were locked in a cellar with no food or water. Jake wasn't phased, he was from Hades, of course. But that is where they are now.

Lucifer was very, very angry that his Arakiel brought an angel to hell. He punished both of them and sent them to an underground cellar in Hades. It was very guarded and soon they will be executed. Deep down his heart he knew this would happen, but he didn't care. He loved and cared about Bethany and would do anything to be with her. So instead he pushed those thoughts away and gave in for his love for Bethany.

\_And look where that got us, \_came a thought. Jake glanced at Bethany. Even with a shivering body and frizzy hair she still managed to look beautiful. Her head fell on top of his shoulder and scooted closer to him for warmth. He obliged and pulled her into his lap. He rested his chin on top of her head.

He pet her hair and kissed the top of her head. He held her tight to his chest and muttered sweet nothings in her ear.

Bethany's eyes snapped open and looked around the cellar, she was recalled of their punishment and leaned in close to Jake.

"Es tevi mÄ«lu." Jake blurted out suddenly.

Bethany knew many languages. It was i her nature, after all. But she didn't seem to recall the language Jake was speaking.

"Can you say that in English." Bethany asked, nuzzling her nose into Jake's neck.

"It means 'I love you' in Latvian," Jake replied.

"Look, I know that you don't love me back, but I wanted to tell you before we die." Jake said sternly.

That's all it took before Bethany's lips crashed into Jake's. She cupped each side of his face and slanted her lips.

He pulled away and looked into her eyes.

"I love you too, Jake."
